

Creative Soulcare Workshop

I am very excited that you are interested in attending the workshop. A few things that will help us get you registered and organized follow:

1. Please **send a check for \$50** to hold your seat for the workshop. Since we only have 8 seats for each course, it is vital that you hold your registration with a deposit, which helps me reserve the rooms and pay for materials. WITHOUT the deposit, I will need to fill the space, and you may lose your space. Sometimes I get a lot of requests at once, so it helps to email me, or call first.
 - a. Make Checks out to: the appropriate instructor
Evelyn Dufner
Amanda Robinson
(Their contact details will be shared via email)
 - b. **Contact & RSVP:** creativesoulcare@gmail.com
OR Call 407-900-1278
2. The registration is **non-refundable** but **can be applied** to a future course should you have changes in your schedule.
3. **Materials Needed:**
 - a. It is very helpful to keep a journal throughout the course. It will be used both in class and out.
 - b. Additionally, most of the course is based on Julia Cameron's Artist Way: It is highly recommended (but not a requirement) to get a copy (used or new) of the book. Everything we do is based on the processes in the book, so it is nice to know where we are headed. However - you will still get a lot out of the course without the book... as I WILL talk about the concepts along the way.
 - c. Later in the course I do one session of "Art Journalism" (which can be played with in multiple ways – including making vision boards, and such.) Although I bring a lot of supplies, when the time is closer I will provide a list of materials you can bring to the class. It is not mandatory to provide materials, but what often happens is we all share what we bring 😊

Please include the following with your deposit:
